Many of you have probably seen Justin Timberlake on SNL a few weeks ago in the "Dick In A Box" skit. Well as funny and clever as that was this girl by far blows it out of the water. Lets face facts ... nobody on this site is looking for a "Dick In A Box"; however a "Box In A Box" is something any man would find an ideal gift... Ladies pay attention, this will be the must have Valentines gift of '07 ! 4 Star performance, GGD cant get enough of this special brand of humor!
